

STUDENT LEARNING REFLECTION

During the Parent Teacher Conference, students will be asked to share their reflection on their learning in each subject. The questions below should be completed for **all subjects** by the student prior and referred to during the interview. The questions will form part of the conversation around the learning that has occurred and areas for further improvement.

Reflection Questions (Select and respond to one question from each category)

Engagement and motivation for learning

- What have I done well in this subject?
- What aspects of the subject have I found engaging?
- What activities have helped me learn?

Organisation and preparedness for learning

- What strategies have I put into practice to make sure I am organised in this subject?
- Are there any aspects that hinder my learning in this subject?

Enhancing learning

- What can I do better in this subject?
 - What are my learning goals for Term 4 in this subject?
 - What strategies can I put in place to achieve further progress in this subject?
-
